

## Administrative penalties, in accordance with the Act of 27 July 2022 on municipal administrative penalties and the extension of the powers of municipal officials Art. 71bis.

The following acts shall be deemed to be offences punishable by administrative penalties:

1

Occupying the public highway for the purpose of exercising a profession or an industrial, commercial, craft or artistic activity, without being authorised to do so by the Mayor.

2

The use of lawnmowers, saws and generally any other noisy equipment from Monday to Friday between 8.00 pm and 7.00 am and on Saturdays before 8.00 am and after 6.00 pm. On Sundays and public holidays, the use of such equipment is prohibited day and night.

3

Throwing or exploding smoking, smoke, explosive, stinking or tear-producing materials in the streets, lanes and public squares.

4

The use, on the public highway and in places accessible to the public, of radios and other electronic equipment exceeding the ambient noise level of the street without authorisation from the Mayor.

5

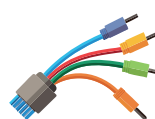

Disrupting the operation of street lighting and flood-lights.

6

Lighting a fire on the public highway without authorisation from the Mayor.

7

Tampering with pipes, conduits, cables and public installations.

8

Damaging ornamental planting on the public highway and in areas accessible to the public.

9

Failure to remove dog excrement from the public highway.

10

Bringing dogs into playgrounds, schools or other public places not authorised for dogs by the Communal Council.

11

Carrying out work on any kind of site from Monday to Friday between 8.00 pm and 7.00 am and on Saturdays before 8.00 am and after 6.00 pm. On Sundays and public holidays, work may not be carried out day or night.

By way of derogation from the preceding paragraph, this work may be carried out in the following cases :

- in the event of force majeure requiring immediate intervention;
- in the event of public utility works;
- exceptions provided for by the legal and regulatory provisions in force.

12

Occupying public play areas outside opening hours, which are set from 7.00 am to 10.00 pm

13

Putting bins or bags intended for public collection on the public highway before 6.00 pm on the day before collection.

14

Construction and transport companies will not obstruct the public highway in the vicinity of construction sites or loading and unloading areas.

15

Descending on the ice of canals, basins, ponds and watercourses, unless authorised by the Mayor.
